

Scouting Risk Assessment – Traversing Wall

Date of risk assessment	1/2/24	Name/Role of who undertook this risk assessment	Ben Shirvill
-------------------------	--------	---	--------------

Earleywood Scout Campsite

Hazard Identified? / Risks from it?	Who is at risk?	How are the risks already controlled? What extra controls are needed?	What has changed that needs to be thought about and controlled?
<i>Hazard – something that may cause harm or damage. Risk – the chance of it happening.</i>	<i>Young people, Leaders, Visitors.</i>	<i>Controls – Ways of making the activity safer by removing or reducing the risk from it. For example - you might use a different piece of equipment or you might change the way the activity is carried out.</i>	<i>Keep checking throughout the activity in case you need to change it...or even stop it! This is a great place to add comments which will be used as part of the review.</i>
Instructors and Equipment	Instructors	<ul style="list-style-type: none"> Activities carried out in accordance with Scout Association Policy Organisation and Rules (POR) Earleywood's equipment is only to be used Any other equipment may be used at your risk (i.e. equipment is compliant and in date) 	
Within the compound and equipment.	All	<ul style="list-style-type: none"> Compound checked before/during use. All entry points secured when activity is not supervised, climbing tower area is fenced off and gate to be locked when tower is not in use. No unauthorized entry signs in place. Equipment is kept in a secure place whenever tower is unsupervised. 	The wall is only to be used when adult supervision is present.
Failure of Structure and Equipment	All	<ul style="list-style-type: none"> Structural annual inspection of the wall by competent person. A 6-monthly inspection of equipment by competent person. Before and during use, inspection done by instructor. Earleywood's helmets will be checked by a competent person on a regular basis as advised by the manufacturer. Records of checks will be retained. Helmets showing signs of damage will be taken out of use immediately. Foot & hand holds of commercial design & construction securely fixed to wall 	<ul style="list-style-type: none"> Defects will be reported to Earleywood Activities Director immediately and the activity/equipment taken out of use immediately and destroyed.
Slips, Trips, Cuts & Falls (Ground Level)	Everyone involved in the session	<ul style="list-style-type: none"> Harnesses should not be worn Helmets may be worn at all times inside the compound. Clean muddy footwear 	

Additional information can be found in the [Safety Checklist for Leaders](#) and other information at scouts.org.uk/safety
