

EarleyWood

Orienteering 2

Instructions

1. Select a word or create your own from using the letters found in Orienteering Worksheet 1.
2. Go to a Start Point either orange, yellow or green...
3. Work out how to get to the letters using the correct bearing and number of paces.
4. Test your route out on someone else to see if they can guess your word.

okay	sparkles	watersoaked
hawks	password	separately
weepy	spyholes	keyholders
speak	talkshow	worksheets
spark	helpdesk	powerheads
howdy	keywords	waterholes
