The Rowney Building

BUILDING RULES – ALL USERS

ROWNEY BUILDING

- Always consult your own risk assessment and site activity risk assessment before you start any activities in the building.
- Please ensure that all activity equipment is packed away correctly and tables and chairs stacked neatly.
- Ensure that all taps and lights are turned off including heating and hot water before you depart.
- The building must be left clean and tidy, brooms and mops are provided.
- Please do not leave ANY food in cupboards or fridges.
- The kitchen comes with very basic equipment; please make sure you bring your own with you.
- General waste and recycling bins are located outside the Scout Centre. Please make sure all waste is removed from buildings and camping pitches at the end of your visit.

Please report any problems, concerns, damage, to Earleywood via email when you leave
