## **Making payment**

Our preferred method of payment is by bank transfer.

## **Pricing**

Prices of all bookable facilities at the campsite are reviewed annually (around October) for the start of the following calendar year. Any bookings made before the review for the upcoming new season will be charged the current season pricing at the time of the booking. All prices can be found on the Earleywood website. We endeavour to keep published prices and other information up to date but reserve the right to alter them at any time.

## **Whole Site Booking**

Whole site bookings can be made by contacting the Bookings Manager directly; it is not possible to make a whole site booking via the website. A whole site booking means that no other groups will be able to book to use site at the same time. However, it does not entitle a group to exclusive use of the site. Contractors working on behalf of Earleywood may be on site at the same time. Where this is the case, We will endeavour to let you know in advance.

## **Activities**

Our campsite includes a variety of on-site activities which are bookable. For safety reasons and to follow POR guidelines, some of our activities hold restrictions:

- Each activity can be booked as hourly time slots
- Instructor led activities (Rifle shooting, Archery, Climbing, Abseiling, Crate Stacking and High Ropes) require a volunteer qualified leader to run the activity and are subject to availability
- We can accept qualified leaders from your group with prior notice and upon supplying proof of a valid qualification for verification before the visit. There are specific rules regarding each activity, please see our information guide for more details

All instructor led activities must be booked over 14 days in advance and confirmation will be sent to you upon confirming an instructor for the activity. Please note we may not be able to source an instructor. All other activities can be booked anytime up to and during your visit to the campsite.

Non-Instructor led activities require at least 1 leader from your group to lead the activity. It is expected for you to create your own risk assessments of each non-instructor led activity.

## **Air Rifle Shooting**

The Scout Association requires that written consent is obtained by a Parent/Guardian for all persons under 18 taking part in shooting activities (as defined in scouting POR). Before your session commences, you will be required to show evidence that this has been done and sign the range logbook to confirm that consent has been obtained for all participants. An example permission form is available on our website.

## **Buildings**

We expect all building users to leave buildings in the condition they would expect to find them. Any damage, breakages or additional cleaning costs will be passed on to you the hirer.

Maximum capacity numbers for day use and overnight are set according to the Building Regulations Approved Document B2, 'Fire safety: Buildings other than dwellinghouses'. Please do not exceed our stated numbers.

## **Cancellation of event**

Should Earleywood Campsite need to cancel any booking or part of a booking, we will notify clients as soon as possible. Should an activity or programme be cancelled by Earleywood Campsite, a full refund or a similar activity will be offered on the same or alternative dates.

### **Conduct**

Conduct that is considered to be disruptive, contrary to good order or prejudicial to the interest of safety may result in the removal of individuals or groups from the site. In this instance, we accept no liability and no refund will be offered.

### **Force Majeure**

This includes, but is not limited to, acts of God, political intervention, pandemic, war, act of hostile force, riot, civil disturbance, fire, flood, drought, accumulation of snow or ice or adverse weather conditions, failure of power supply, failure of plant or equipment and presence of hazards due to defective structure. ### **Supervision of Participants**

All members of our Earleywood Team are trained and qualified to the appropriate levels as determined by the UK Scout Association as a minimum. Some of our instructors hold national governing body level qualifications in addition to this. It is however your responsibility to provide suitable and adequate supervision for the young people in your group.

Clear instructions are given by our instructor teams, and in our welcome pack, regarding measures that must be taken in order to minimise any risks as far as possible. These may include, but are not restricted to, removing jewellery, rings, chains, earrings etc and tying long hair back.

It is your responsibility to provide adequate and suitable supervision for the participants in your group during your stay. We accept no responsibility for the general supervision of your group while on site. During instructor led activity sessions, the instructor in charge of the session is responsible for ensuring the safety of the participants undertaking the activity, but it is still your responsibility to provide general supervision for the group (e.g. for the members of the group waiting for their turn).

### **Safeguarding**

As we are a Scout campsite, our primary concern is for the safety and security of the young people on site. All adult leaders staying on site overnight must hold a current DBS (Disclosure and Barring

Service) Certificate. This must be in accordance with the Scout Associations/Guide Associations nights away guidance. Groups are to be responsible for managing and supervising any visiting adult without a DBS Certificate and they must not be left unattended.

### **Child Protection Policy**

We follow the child protection policies set out in POR by the UK Scout Association.

Under 18's are not allowed to camp on our site unless a suitable qualified adult is in charge.
